AEG

18V Sub Compact Brushless Stealth Drive Impact Driver

BSS 18OPSBL-0

- SubCompact Brushless Stealth Drive Impact Driver with advanced Oil Pulse technology delivers elite driving performance and quietest operation in AEG range
- Noise output of 70dB significantly reduces sound generated in working conditions. Ideal for users working in residential or highly populated areas
- Extreme performance for highest demand applications due to Oil Pulse mechanism which sustains rotational torque to the drive system for longer than traditional Impact Drivers
- SubCompact body of only 114mm front to back ideal for use in tight or confined spaces
- 3 Speed / Torque settings for user control to complete small and large driving of screws.
