

- ✓ Point and shoot system - one person measuring with only one simple press of a button
- ✓ Area, volume, height and width measurement
- ✓ Pythagoras 3 types
- ✓ Large and easy to read 3 line LCD graphical display with automatic white backlight
- ✓ Measuring pin for corner measurement
- ✓ Memory recall for last 10 measurements
- ✓ IP54 water & dust protection
- ✓ Extremely slim LDM
- ✓ Rubber overmold for perfect handling
- ✓ Large rising buttons with intuitive positioning

|                                      |                   |
|--------------------------------------|-------------------|
| Accuracy                             | ±1.5 mm           |
| Battery pack capacity (Ah)           | AA                |
| Battery type                         | 2 x AAA           |
| Dimensions (Outer)(H x W x D / mm)   | 109 x 40 x 32     |
| EAN Code                             | 4002395294275     |
| IP protection class                  | IP 54             |
| Max. measurement range (m)           | 50                |
| No. of batteries supplied            | 2                 |
| Pythagoras function                  | 3-point           |
| Supplied in                          | Blister packaging |
| Temperature range (°C)               | -10 to + 50       |
| Weight with battery pack (EPTA) (kg) | 1,0               |
