

- ✓ Powerful 1500 watt motor
- ✓ 10.5J impact energy for stronger chipping applications
- ✓ Soft hammer mode for reducing the blow energy by working on sensitive materials
- ✓ AVS anti-vibration system significantly reduces vibration for user comfort and safety
- ✓ Soft start for precise start of chiseling
- ✓ Service lights provide in-time notice in case of worn out brushes
- ✓ Power light indicates if the tool is live
- ✓ Powerful 1500 watt motor

|                               |               |
|-------------------------------|---------------|
| Blow energy (EPTA)(J)         | 10,5          |
| EAN Code                      | 4058546010836 |
| Full load hammer action (bpm) | 0 - 2700      |
| Max. drilling concrete (mm)   | 45            |
| Power input (W)               | 1500          |
| Power output (W)              | 725           |
| Supplied in                   | Kitbox        |
| Vibration chiseling (m/s²)    | 11,1          |
| Weight (kg)                   | 7,3           |
