

### PRO 18v BRUSHLESS

- ✓ Powerful 18V Motor Brushless Motor with 9000rpm for faster cutting or material removal
- ✓ Increased torque to improve performance for the most demanding applications
- ✓ Compatible with AEG PROLITHIUMION™ battery technology featuring overload protection for maximum durability of battery and tool
- ✓ Keyless grinding guard for faster adjustment
- ✓ AVS side handle for more safety and comfort
- ✓ Maximum safety with disc break and anti-kickback function
- ✓ Equipped with a Deadman Paddle Switch

|                                          |                         |
|------------------------------------------|-------------------------|
| Anti-kickback protection                 | Yes                     |
| Battery pack capacity (Ah)               | 6.0                     |
| Battery supplied                         | 2 x 6.0                 |
| Battery type                             | Li-ion                  |
| Bore size (mm)                           | 22.2                    |
| Brake                                    | Yes                     |
| Charger supplied                         | 80 min                  |
| Disc diameter (mm)                       | 125                     |
| EAN Code                                 | 4058546413880           |
| Max. cutting depth (mm)                  | 26                      |
| No load speed (rpm)                      | 9000                    |
| No. of batteries supplied                | 2                       |
| Sound power level (Lwa)(dB(A))           | 98                      |
| Sound power level uncertainty (dB(A))    | 3                       |
| Sound pressure level (Lpa)(dB(A))        | 90                      |
| Sound pressure level uncertainty (dB(A)) | 3                       |
| Spindle size                             | M14                     |
| Supplied in                              | Tool bag                |
| Switch type                              | Paddle (Deadman) switch |
| Variable speed                           | No                      |
| Vibration grinding (m/s²)                | 5.6                     |
| Vibration grinding uncertainty (m/s²)    | 1.5                     |
| Vibration level (m/s²)                   | 5.4                     |
| Vibration uncertainty (m/s²)             | 1.5                     |
| Voltage (V)                              | 18V                     |
| Weight with battery pack (EPTA) (kg)     | 2.8 (L1860SHD)          |
| Wheel size (mm)                          | 125                     |
